making memories together

CRAFT KITS & CREATIVE GIFTS

WINTER 2022

# HELLO

Our story begins with our Hen-in-Chief, Julie, a highly skilled textile artist with over 20 years experience in the craft industry. The Crafty Hen was hatched by Julie in 2012 and has grown to be the original nationwide provider of crafty parties and event experiences. From our award winning creative workshops, our craft kits were born as a way to enjoy a spot of crafting at home or in smaller groups.

## MAKING MEMORIES TOGETHER

During the pandemic and through the lockdowns, people found our kits an invaluable way of coming together virtually and a way of 'making memories together' even when special occasions couldn't be shared in person.

For Winter 2022, we've combined our festive crafts collection with some of our best selling kits - perfect for gifting around the Christmas period.

## HANDMADE IN BRISTOL

Our craft kits are lovingly hand-created in our Bristol studio in small batches by our skilled team of craft technicians. We hand-cut the cracker ribbons, hand pick all the festive trimmings and co-ordinate all the seasonal embellishments ourselves so each kit box is bursting with high quality creative potential.
